Project Title: Golden State Boulevard/Golf Road/Berkeley Avenue Intersection Project

Project Applicant: Stanislaus County Department of Public Works

Project Location (include county): Stanislaus County - Golden State/Golf/Berkeley Ave Intersection

Project Description:

The Stanislaus County Department of Public Works is proposing to construct operational improvements at the Golden State Boulevard/Golf Road/Berkeley Avenue Intersections. The Project site is located just south of the City of Turlock in the southern portion of the County. The purpose of the Project is to improve regional air quality by reducing emissions and alleviating congestions. This would be achieved by redesigning the intersections to upgrade their current operational Level of Services and reducing idling time for automobile traffic.

This is to advise that the Stanislaus County Department of Public Works has approved the above (Lead Agency or Responsible Agency)

described project on 11/06/18 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Stanislaus County Department of Public Works, 1716 Morgan Road, Modesto, California 95358
