Placerville, CA 95667

**SUBJECT:** *Filing of Notice of Determination in compliance with Section 21152 of the Public Resources*

**State Clearinghouse Number:** #2020039045

**Project Title:** 2020 El Dorado Irrigation District Temporary Water Transfer

**Project Applicant:** El Dorado Irrigation District (EID)

**Project Location:** El Dorado County, Alpine County, Amador County, Sacramento County, San Joaquin County, Stanislaus County, Merced County, Fresno County, Kings County, and Kern County

**Project Description:** EID proposes to transfer water to the federal and/or state water contractors (Buyers) during summer and fall 2020. EID would make the water available through re-operations of three EID reservoirs to release water otherwise planned to be consumed by EID customers in 2020 and/or stored within the EID network of reservoirs. The involved reservoirs and rivers/creeks would all operate consistent with their historic flow and release schedules, and would meet all applicable rules and requirements, including but not limited to lake level and minimum streamflow requirements. The proposed 8,000-AF transfer quantity would consist of releases from Weber Reservoir (up to 850 AF) that would otherwise remain in Weber Reservoir and releases from Caples/Silver lakes (up to 8,000 AF) that would otherwise be added to storage in Jenkinson Lake or used directly to meet summer/fall 2020 demands that would instead be met with water previously stored in Jenkinson Lake. Because the

Date removed from posting 6/7/2020

total potential quantity available from the three reservoirs (8,000 AF from Caples and Silver lakes plus 850 AF from Weber Reservoir) exceeds the proposed maximum transfer volume (up to 8,000 AF), EID would have flexibility to adjust operations at any of the reservoirs.

This is to advise that the El Dorado Irrigation District (Lead Agency) has considered the above described project on April 27, 2020 and has made the following determinations regarding the above described project.

1. The project [ will  will not] have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [ were  were not] made a condition of the approval of the project.
4. A Statement of Overriding Considerations [ was  was not] adopted for this project.
5. Findings [ were  were not] made pursuant to the provisions of CEQA.

This is to certify that the Negative Declaration and record of project approval are available to the General Public at:  
**The El Dorado Irrigation District, 2890 Mosquito Road, Placerville, CA 95667.**
