

# 2011 ABOVEGROUND PETROLEUM STORAGE ACT (APSA) COMPLIANCE WORKSHOP

Stanislaus County Department of Environmental Resources will be hosting a complimentary workshop to address APSA requirements for businesses that are required to comply with the Spill Prevention Control and Countermeasure (SPCC) Plan.

Two sessions will be provided to assist business owners and representatives.

- **Tuesday, September 27, 2011 from 9 am – 1 pm**
- **Friday, September 30, 2011 from 3 pm – 7 pm**

*This Compliance Workshop will include:*

- Overview of the California APSA and Federal SPCC
- Similarities and differences between APSA and SPCC
- APSA exemptions and qualified facilities
- SPCC Plan elements
- Empty containers, spill reporting, violations, and penalties

Pre-registration is highly recommended, as seating is limited. When registering for the class, please include your name, the name of the business you are representing, the number of people attending the class, and the date you would like to attend.
