The Stanislaus County Parks & Recreation Commission encourages public participation and welcomes the public's interest. Matters under the jurisdiction of the Commission, and not on the agenda, may be addressed by the general public at the beginning of the regular agenda for consideration. However, California law prohibits the Commission from taking action on any matter which is not on the posted agenda unless it is determined to be an emergency by the Commission. Any member of the public wishing to address the Commission during the "Public Comment" period will be limited to a maximum of 5 minutes.

Members of the public may be heard on any item of the Stanislaus County Parks & Recreation Commission's agenda. The Commission will only allow comments by members of the public on an agenda item during consideration of that particular item by the Commission. A person addressing the Commission will be limited to five (5) minutes, unless the Chairperson of the Commission grants a longer period of time.
