Emergency Domestic Water Well Financial Assistance Pilot Program

Background
On August 26, 2014 the Stanislaus County Board of Supervisors approved a pilot program to assist domestic/residential well owners that are experiencing “dry well” conditions.

Standards
- This Emergency Loan Program only applies to verifiable rural domestic well failure situations.
- This program cannot be used for unreasonable well upgrades, or pump improvement projects beyond what is reasonably necessary to maintain a potable water supply.
- Residential (owner/resident) eligibility only.
- Loans for retroactive water well repair will not be considered.

Eligibility
- Applicants for loans may have an income of up to 150% of the household median income for Stanislaus County unincorporated area. Note: Median income Stanislaus County $55,548.
- The program target is the unincorporated, owner occupied, residential parcels.
- Preference will be given to elderly (65 years and older) fixed income residents. Preference in this instance is defined by repayment option as part of estate resolution and/or sale of property.
- Program funds will be distributed on a first-come, first-served basis provided that a fully completed and approved application is in the record.
- Credit worthiness determined with a model of 43% total debt.
- Total secured debt on the property, including the loan amount requested in this application, cannot exceed a total debt-to-value ratio of 80%.
- The burden of proof that the application meets the total debt-to-value ratio requirement rests with the applicant.
- In meeting the burden of proof, the County is willing to consider appraisals done within the past year by a qualified appraiser, Assessor Proposition 8 valuations or other forms of information that clearly support the current value of the property.

Terms & Fees
- This is a revolving loan program, with a cap of $20,000 including all fees, and subject to a simple interest rate of 1% based on outstanding quarterly principal balance.
- The following fees are required to be paid for by the landowner and are included in the $20,000 loan cap.
  - Loan Processing Fee = $1,400
  - Title Search Fee = $300
  - Credit Fee = $10
  - Reconveyance Fee = $45
  - TOTAL FEE = $1,755
- All loans require the landowner to sign a promissory note, secured by a recorded lien, deed of trust or similar instrument, to be repaid within 5 - 7 years, depending upon financial hardship and application review/approval. No pre-payment penalty will be applied. A late fee will be applied to past due payments.
- The lien or deed of trust recorded against the property will be released upon loan satisfaction.
- Any fees due to the title company for such services shall be added to the loan amount.
The Stanislaus County Emergency Domestic Water Well Financial Assistance Pilot Program provides assistance to residential citizens living within the unincorporated areas of Stanislaus County to repair or replace wells that have lost their ability to pump ground water.

All Loans will be secured by a Promissory Note and Deed of Trust.

All Loans are contingent upon approval of the loan by the Stanislaus County Auditor-Controller; availability of funds; and the rules related to the funding sources being used.
