New Addition to the Hughson Medical Office

STANISLAUS County – The Hughson Medical Office of the Stanislaus County Health Services Agency welcomes Elizabeth Whipkey-Olson, D.O., to its staff of family medicine physicians on September 5, 2006.

Dr. Whipkey-Olson completed the Stanislaus Family Practice Residency Program at Doctors Medical Center in Modesto in 2006. She served there as Co-Chief Resident in 2005. The three-year internship and residency program is affiliated with the University of California, Davis.

She earned her medical degree from Touro University College of Osteopathic Medicine in Vallejo in 2003. She received her undergraduate degree from UC, Santa Cruz in 1995, graduating with honors.

At the Hughson Medical Office, Dr. Whipkey-Olson will join Jose Rodriguez, M.D., Medical Director, and Erin Kiesel, D.O. She will provide general family medicine services to all ages and has a special interest in women’s health, including obstetric care.

“The aspect of family medicine that is very attractive to me is the opportunity to provide care to people of all ages,” she says. “The diversity involved continues to offer interesting challenges on a daily basis.”

Dr. Whipkey-Olson is proficient in Spanish as well.
