Travel to Ireland at the Library
Irish Cultural Society of Stanislaus County presents
“International Festival Highlight: Ireland”

Families are invited to take an imaginary trip to Ireland at the Modesto Library. Members of the Irish Cultural Society of Stanislaus County will present *International Festival Highlight: Ireland* at the Modesto Library, Saturday, March 24, at 2 p.m.

The presenters will take the audience on an exploration of Ireland and its rich cultural traditions, including geography, history and a short video about Ireland. The highlight of the program will be a live demonstration of stepdancing and bagpipes.

There is no admission fee; however, space is limited. Free parking is available. Library cultural programs are presented in partnership with the Modesto International Festival. They are sponsored by Stanislaus County, MOCSE Credit Union and The Modesto Bee.
