PRESS RELEASE

March 8, 2007

FOR IMMEDIATE RELEASE:

For more information, contact:
Susan Lilly, 558-4813

Teens: How well do you know your computer?

March 10-16 is Teen Tech Week at Stanislaus County Libraries and libraries nationwide.

Locally, teens will have the opportunity to prove their computer prowess by identifying computer parts from photos posted on the Stanislaus County Library web site, www.stanislauslibrary.org. To participate, teens should visit the Teen Universe page of the library's web site, view the photos, and print the identification form. After completing the form, they can return it to any Stanislaus County Library location. Teens with correct answers will get a special limited-edition bookmark. A bonus photo will also be posted on the library's blog and suggested reading lists will be available at all branches.

Stanislaus County Libraries are located in Ceres, Denair, Empire, Hughson, Keyes, Modesto, Newman, Oakdale, Patterson, Riverbank, Salida, Turlock, and Waterford. For more information, visit <http://www.stanislauslibrary.org/>.
