2007 Summer Reading Club Programs

The Adventures of Spider and Fly – Presented by **P & T Puppet Theatre**, children will enjoy the story as Spider and Fly follow clues to rescue familiar characters like Little Miss Muffet and Wilbur the Pig. It's learning fun for the whole family.

Wizard Training School – Magician Brian Scott will delight and amaze his audience with his own brand of magic. Then he'll teach his young audience some tricks they can do on their own, while reinforcing the importance of reading and learning.

Dan Chan the Magic Man and Kat the Acrobat perform a high-energy, fast-paced variety show that challenges their audience to pay attention to keep up with the action. Together they weave a show of magic, comedy, juggling and acrobatics, while reinforcing the idea that it's fun to read and visit the library.
