Inmate Booking Information Now Available on Sheriff's Website

MODESTO, CA- The Stanislaus County Sheriff's Department is making inmate booking information available online starting April 24, 2007. Family, friends, bail-bonds employees and other law enforcement agencies can now look up information about any inmate currently in-custody at any Stanislaus County Jail facility. The in-custody report named "Who's in Jail" will have an inmate's name, date of birth, charges, bail amount, arresting agency, and court date will all be on a report as public information. All the information listed is required to be disclosed under the California Public Records Act.

"This system was designed to effectively release accurate information so family and friends can be informed about inmates in-custody," said Lieutenant Brenda Suarez. The report for "Who's in Jail" is at the Stanislaus Sheriff's website at www.stanislaussheriff.com and then click "Who's in Jail" on the left tool bar or the "Who's in Jail" icon in the middle of the web page. The information is updated every ten minutes, but users need to refresh the page to keep the information current.
