Teens invited to Modesto Library for Poetry Café

April is National Poetry Month and teens are invited to the Modesto Library for Teen Poetry Café, Saturday, April 28, noon to 2 p.m. This event is an opportunity for teens to share their favorite poetry in a relaxed coffeehouse atmosphere. Teens can share their own work or read a favorite poem by another author. Too shy to read a poem aloud? Just come hang out and listen to the poetry shared by others.

Through Teen Poetry Café, attendees will grow in their understanding and appreciation of poetry. The event is free and light refreshments will be provided. Teen Poetry Café is sponsored by the Stanislaus County Library Foundation. For more information, please call 558-7810.
