### **FOR IMMEDIATE RELEASE**

Modesto, CA, October 31, 2007 – On November 1, 2007, Doctors Medical Center will assume operation of the Stanislaus Behavioral Health Center, the county's acute psychiatric hospital. The new name for the facility will be: Doctors Behavioral Health Center. The new phone number is (209) 557-6300. Brought on by changes in Federal regulations limiting how the county could operate the hospital, the transfer concludes a two-year effort to ensure Stanislaus County residents continue to receive high quality inpatient behavioral health services in our community.
