Masks and mime featured at children's dinner theater

Masks and mime by Fintushel will be featured at the Stanislaus County Library's Children's Dinner Theater program, Wednesday, June 13, at 6:30 p.m. The program will be held in the downstairs auditorium of the Modesto Library, located at 1500 I Street.

Fintushel involves the audience in the performance that explores the wonders of visual communication through posture, gesture and facial expression. The dinner theater format is designed for families with children age six and up.

"Children's Dinner Theater is a wonderful opportunity to introduce children to the joys of live theater performance and the pleasure of reading," said Librarian Sharon Arpoika, head of children's services.

Families bring their own picnic or fast food dinner. Coffee and punch are provided. Dinner begins promptly at 6:30 p.m. and the performance begins at 7 p.m. Space is limited. Free advance tickets are required and are available now in the Modesto Children's Library. Children's Dinner Theater is sponsored by the Stanislaus County Library Foundation, through a grant from Omega Nu. For more information, please contact the Modesto Children's Library at 558-7810.
