### **Flying Teapot Puppets at the Library**

Flying Teapot Puppets will delight children at a special puppet show Saturday, July 7, 11 a.m. and 12:30 p.m., at the Modesto Library, 1500 I Street. Puppet builder and puppeteer Margaret Bloom presents this interactive show, featuring live music, singing and a variety of puppet styles and techniques.

Sponsored by Friends of the Modesto Library, this program will stimulate children's imaginations, help them develop social skills through audience participation and introduce them to the resources of the library. The puppet show is free, however space is limited. Free same-day tickets will be available one hour before show time.

For more information, please call the Modesto Children's Library at 558-7810.
