Grant Proposals: Matchmaking for Your Organization

Non-profit organizations are invited to attend a free seminar Friday, December 14, 1 to 3 p.m. at the Nick W. Blom Salida Regional Library. The seminar, presented by Karen Servas, is designed to help non-profit organizations learn to streamline their grantwriting efforts and potentially improve their success.

Participants will learn how to analyze grant criteria and determine which grants best match the goals of their organization. They may even improve their success rate by only applying for those grants that are truly a good match. Servas will also cover common mistakes to avoid.

Space is limited and advance registration is required. For more information or to sign up, please visit the Modesto Library Reference Desk or call 558-7814.
