### **Never Shake a Baby: Important information for parents and caregivers**

Parents and caregivers are invited to an important presentation about Shaken Baby Syndrome Saturday, April 5, 11 a.m. at the Modesto Library. A member of the Stanislaus County Child Abuse Prevention Council will explain the dangers of Shaken Baby Syndrome and how to prevent it.

Attendees will learn about normal child development, including the role of infant crying, techniques for calming a crying baby and strategies for coping with the stress of a crying baby.

Parenting books will be on display and available for checkout at this important program.

For more information or to reserve a seat, please call 558-7814.
