Friends of the Modesto Library present the Act!vated Storytellers

The Friends of the Modesto Library are pleased to present the Annual Peti Taylor Memorial Program, featuring The Act!vated Storytellers! The free program takes place Saturday, April 11, at 12 p.m. in the Downstairs Auditorium of the Modesto Library, 1500 I Street.

The Act!vated Storytellers will present two multi-cultural folktales full of non-stop action, physical comedy, audience participation, American Sign Language and imaginative props, including a gigantic oversized book. This 45-minute theatrical production is designed to build vocabulary, provide multicultural perspectives and promote interest in reading, culture and the theater arts.

This program is presented by the Friends of the Modesto Library in memory of Peti Taylor, a founding member of the Friends of the Modesto Library, who had a lifelong interest in young people and their education.

Admission is free, but space is limited. Same-day free tickets will be available at the Children's Desk beginning at 11 a.m. Attendees will also be entered into prize drawings for gift certificates to Barnes & Noble and Borders. For more information, please contact the Modesto Library Children's Department at 558-7810.
