Learn about the “Psychology of Spending” at the Ceres Library

What motivates people to spend money? Or save money? What’s your money personality? Carin Cozzi, of Valley First Credit Union will present “The Psychology of Spending” at the Ceres Library, Saturday, March 14, at 2 p.m.

Each person has a money personality that influences attitudes about spending and saving. By recognizing the tendencies and attitudes that have shaped past decisions, participants will be able to make the necessary adjustments to change bad financial habits into productive ones.

Registration for this free program is not required. However, seating is limited, so participants are encouraged to arrive early. Related books will be on display and available for checkout. The Ceres Library is located at 2250 Magnolia. For more information, please call 537-8938
