## News Release

For Immediate Release  
October 7, 2009

Contact: Chris Brady  
(209) 262-5887

### **New McHenry Avenue Detour information. *McHenry Avenue road construction at Ladd Road to begin October 19 in Stanislaus County. Road to stay open.***

*Stanislaus County, CA* – Please note the following update to a news release issued on October 7.  
**McHenry Avenue will not close during this improvement project.**

Starting on Monday, October 19, 2009 the Ladd Road and McHenry Avenue intersection will be under construction as part of a planned \$1.5 million intersection improvement project. Improvements will include a widening of the intersection, installation of four-way traffic signals, installation of storm drains and pavement reconstruction. More than 13,000 cars per day travel through this high-volume intersection. The Stanislaus County Department of Public Works is coordinating the improvement project.

Temporary traffic controls through the work zone will be in place through the duration of the project. Motorists should expect delays during construction; however, McHenry Avenue will not be closed during the construction project. The project will last approximately four to six months depending on weather in order to facilitate McHenry Avenue remaining open.

The project is funded by Stanislaus County Public Facility Fees. For questions, please call the Stanislaus County Department of Public Works at 525-4130.
