### **Direct from San Francisco...Dan Chan the Magic Man**

Dan Chan the Magic Man will amaze, baffle, bewilder and delight audiences at the Modesto Library, Saturday, March 27 at 12 p.m. Chan's high-energy show sparks the imaginations of children, it's full of audience participation and packed with laughs! Chan performs pure and technical sleight-of-hand, world-class juggling, acrobatics and circus stunts, and even the rare and ancient Chinese art of Bian Lian, where colorful masks transform instantly one to the next. Dan Chan creates excitement wherever he performs.

Chan's performances are free, but space is limited, so same-day free tickets are required. Tickets will be available at 11 a.m. at the Children's Desk in the Modesto Library, located at 1500 I St. For more information, please call 558-7810.
