Family Fun at Ceres, Empire and Hughson Libraries

What could be more fun than seeing juggling, magic and other amazing feats? Watching all of it at your local library! On Saturday, July 24 children of all ages have three opportunities to watch Owen Baker-Flynn perform his “Act in a Box.” With more than twenty years experience, Owen Baker-Flynn is sure to make children laugh as they learn during this interactive program. Beginning at 11 a.m. Owen Baker-Flynn will appear at the Empire Library; at 1:30 p.m. at the Hughson Library; and at 4 p.m. at the Ceres Library. There will also be lots of magic books on display and available to check out. Customers are encouraged to get books quickly, before they disappear!

The Empire Library program is sponsored by the Friends of the Empire Library.

For more information, please call 537-8938 for Ceres Library; 524-5505 for Empire Library; and 883-2293 for Hughson Library.
