Teen Movie Night at the Modesto Library

The highest grossing movie in history is sure to be a hit when shown at the Teen Movie Night at the Modesto Library, Wednesday, May 12, beginning at 4 p.m. The Academy Award nominated movie thrilled moviegoers with its computer generated images of a blue alien race protecting their planet from outside forces wanting to exploit its resources. Books and materials from the library's Young Adult Collection will be on display and available for checkout.

Light refreshments will be served. Teen Game Night is made possible in part by a grant from the Aileen T. Gisler bequest. For more information, please call 558-7827.
