Budget Travel presentation at the Modesto Library

Jan Sorge, of Hostelling International, will present an informative workshop on Budget Travel, Saturday, July 30, at 2 p.m. in the downstairs auditorium of the Modesto Library, located at 1500 I Street. The presentation will focus on using hostels in California, the USA and worldwide.

“Hostelling is a great way to travel, meet wonderful people from all over the world and see things in our own state that we didn't even know about,” said Sorge. “This workshop will help you make the most of your travel whether here at home or abroad.”

The presentation is free, but space is limited, so those interested should call the Modesto Library Reference Department at 558-7814 to reserve a seat.
