Stanislaus County Redistricting Public Meetings for Supervisorial Districts

Community input is sought

Stanislaus County, CA – The U.S. Census count has been completed and the process of redistricting has begun at many levels of government. Stanislaus County is beginning to evaluate the five County supervisorial districts to see where lines should be re-drawn.

Residents of Stanislaus County are encouraged to attend any of the public meetings at any location below to discuss the redistricting of the County's Supervisorial Districts. All meetings are from 6:00 to 8:00 pm and are open to the public:

June 13 Turlock City Hall, Yosemite Room, 156 South Broadway
June 14 Riverbank, Scout Hall, 3017 High Street
June 15 Patterson City Hall, #1 Plaza
June 28 Modesto Senior Center, 211 Bodem Street
June 29 West Modesto King Kennedy Center, 601 S Martin Luther King Dr
June 30 Salida Fire Station #1, 4820 Salida Blvd

Following the decennial Census, Stanislaus County's district populations must be revisited in order to make certain the population of all five districts is as nearly equal as possible. As a part of this process, public input is helpful in determining "communities of interest" that might impact district boundaries. Public comment is encouraged to be received by Wednesday, July 6.
