### **Free Foundation Center workshops for local non-profit organizations**

Non-profit organizations are invited to attend a series of free workshops at the Modesto Library in June. The workshops will feature a Foundation Center webinar, followed by comments and a question/answer period with a local expert from the Association of Fundraising Professionals. The workshops will be held three consecutive Thursdays, 1:30 to 3:30 p.m. beginning June 9 in the Modesto Library Auditorium. Participants are not required to attend all three workshops, but it is recommended.

Webinar topics are:

June 9 – Before You Seek a Grant: A Checklist for New Nonprofits

June 16 – Introduction to Fundraising Planning for Nonprofit Organizations

June 23 – Introduction to Finding Funders: A Guide for Nonprofit Organizations.

These workshops will include information about utilizing the many resources available through the Foundation Center's Directory Online Professional Database. The Foundation Center is the nation's leading authority on organized philanthropy. In addition to the premium online resources, the Foundation Center Cooperating Collection at the Modesto Library includes print directories, periodicals and proposal writing guides.

Workshop space is limited and advance registration is required. For more information or to sign up, please visit the Modesto Library Reference Desk or call 209-558-7814.
