Family Movie and Craft at Modesto Library

Everyone is invited to the Modesto Library on Monday, Feb. 6 to watch the wild adventures of Blu as he returns home to Brazil after being kidnapped and smuggled to America. The movie begins at 3:30 p.m. and will be followed by a fun bird bookmark craft that children can take home with them.

Modesto Library's movie license prohibits publicizing the title of the movie, but customers can ask library staff for the title. For more information, please call 558-7810.
