## Stanislaus County – Community Services Agency

Stanislaus County and the Community Services Agency (CSA) would like to announce the new Customer Service Center. Residents may call 1-877-652-0734 to speak to a Customer Service Representative for assistance with CalWORKs, CalFresh (Food Stamps) and/or MediCal. The Customer Service Center will provide residents a single point of contact for these services and enhance customer service by resolving customer inquiries via the telephone, instead of requiring residents to attend CSA offices. County services will still be available at the CSA main office located at 251 E. Hackett Road in Modesto and at CSA outstations located throughout the county. Residents may also refer to the County's website at [www.stanworks.com](http://www.stanworks.com) for more information.
