### **Read to a Dog at the Oakdale Library**

The Oakdale Library will be offering the Read to a Dog program throughout the month of July. In this program, therapy dogs will be paired with independent readers for a 20 minute session where the child has the opportunity to read a book to the dog. The dog patiently listens to the child read, which helps the child build confidence in their reading ability and communication skills. The program is offered on Thursdays and some Saturdays. Advance registration is required as availability is limited. Please call 847-4204 to reserve a time.
