### **Snuggles project at area libraries**

Stanislaus County Library customers are joining an effort to provide small security blankets, called Snuggles, for shelter animals at the Thomas W. Mayfield Regional Animal Services Center. Snuggles can be made by sewing, crocheting, knitting, or tying fabric into small blankets. Snuggles provide physical and psychological comfort to shelter animals awaiting new homes.

Those interested can make Snuggles on their own or help at a Snuggles project day, scheduled for Saturday, March 10, 12 to 4 p.m. at the Nick W. Blom Salida Regional Library or Saturday, March 31, 12 to 4 p.m. at the Waterford Library. Completed blankets can be dropped off at libraries located in Ceres, Denair, Hughson, Modesto, Riverbank, Salida and Waterford through April 30.

Additional details, including suggested dimensions for Snuggles, are available at
