Susan Lilly, 558-4813

### **Library Advisory Board seeks youth representative**

The Stanislaus County Library Advisory Board seeks applicants for a youth representative. Applications are due by 5 p.m. on July 5, 2012 and may be obtained by visiting any Stanislaus County Library location or [www.stanislauslibrary.org](http://www.stanislauslibrary.org).

“Serving on the Library Advisory Board is a great opportunity for a high school student to gain leadership experience and develop critical thinking skills,” said County Library Director Vanessa Czopek.

The Library Advisory Board provides feedback to the County Library Director, participates in library strategic planning, serves as the citizen’s oversight committee that monitors the use of funds generated by the dedicated library sales tax, and reports to the Stanislaus County Board of Supervisors on issues facing the library. Members of the Library Advisory Board represent all geographic areas of Stanislaus County, as well as interest areas, such as, agriculture, business, education and youth (typically a high school student). The Board meets quarterly. Further details can be found on the library’s web site: [www.stanislauslibrary.org](http://www.stanislauslibrary.org).

For more information, please contact Susan Lilly in the Library’s Public Information Office, at 558-4813.
