Biggest losers weigh out to find winner

Stanislaus County, CA - On **Thursday, October 17, 2013**, six teams of West Side residents from Newman, Patterson and Gustine will climb back on a giant scale to see which team lost the most weight over the eight week contest to claim the title of "Biggest Loser." These community leaders and residents will gather at **Patterson Unified School District at 510 Keystone Boulevard in the Keystone Business Park in Patterson at 11:30 a.m.** to weigh out and claim bragging rights. The competition kicked off on August 22 at a community health summit at the West Side Theatre in Newman.

"People are supportive of making positive changes for a healthier lifestyle," stated Jim DeMartini, Stanislaus County Supervisor and Chairman of the Westside Healthcare Task Force. "Small changes that continue over a lifetime can make a big difference in the quality of someone's life. Losing extra weight can help fight off diabetes, high blood pressure and other issues impacting the health of our community."

Each team will also climb onto the giant scale to get their final results. The winner will be announced at about 12:00 p.m. after the final team weighs out.

The event is sponsored by the Westside Healthcare Advisory Task Force.
