Senior Awareness Day at the Modesto Library

Seniors can learn about resources available to them at Senior Awareness Day at the Modesto Library on Thursday, May 9 from 10 a.m. – 1 p.m. Representatives from many organizations including CalFresh, Health Insurance Counseling and Advocacy Program (HICAP), and Catholic Charities will be available to answer questions and register program applicants. This is a wonderful opportunity for senior citizens and caregivers to obtain information on various services available in our community.

For more information, please call the Stanislaus County Area Agency on Aging at 558-8698.
