April Events at the Ceres Library

The Ceres Library has an abundance of crafts and activities perfect for month of April. Stop by the Ceres Library to enjoy all that the library has to offer.

If colorful creations interest you, visit the Ceres Library on April 10 and 24 for LEGO Days. Starting at 3 p.m. children can make LEGO masterpieces that will then be displayed in the library. This imaginative program enables children to practice sharing skills as well as manual dexterity. This program is ideal for children between the ages of 5 and 12, however younger children under the age of four are encouraged to participate under direct parent supervision.

The library will host a recycling fish craft on April 17 at 3 p.m. Children can create works of art using recycled DVDs and CDs. This craft demonstrates how to recycle common household objects in creative ways, and encourages children to be environmentally conscious.

These free programs are sponsored by the Friends of the Ceres Library. The Ceres Library is located at 2250 Magnolia Avenue in Ceres. For more information, please contact the Ceres Library at (209) 537-8938.
