May Events at the Ceres Library

Stop by the Ceres Library this May to participate in a number of unique crafts and activities. Mark your calendar for all that the library has to offer!

May 8 and 22 are LEGO Days at the Ceres Library. Beginning at 3 p.m. children can make LEGO creations that will then be displayed in the library. LEGO Days are an excellent way to promote creativity and develop hand/eye coordination. All children are invited to participate, however children under the age of four must have direct parental supervision.

Children can create their own aquarium diorama on May 15 at 3 p.m. This craft uses recycled materials to create works of art.

Learn how things fly on May 29 at 3 p.m. with a craft that takes flight! Children can learn about the science of flight by building and testing paper airplanes. After the craft, participants may take advantage of the many books on flight available for checkout!

These programs are sponsored by the Friends of the Ceres Library. The Ceres Library is located at 2250 Magnolia Avenue in Ceres. For more information, please contact the Ceres Library at (209) 537-8938.
