October Events at the Denair Library

Visit the Denair Library this October for a variety of fun math programs for kids, and a unique craft for teens and adults!

The Crazy 8's Math Club will meet October 9, 16 and 23 at 4 p.m. at the Denair Library. On October 9 children can create their own catapult and launch marshmallows to see how far they can fly. Children can bring a small stuffed animal to the library on October 16 to participate in the Zip Line Zoo, in which participants will measure how fast their stuffed animals can go! The month concludes with a Bouncy Dice Explosion program on October 23. Children can enjoy tossing rubber dice, playing war, and trying a game of human bingo! Each Crazy 8's Math program is an opportunity for children to learn mathematical concepts in a fun, interactive environment.

Learn how to make your own masquerade mask on October 21! Teens and adults can stop by the library anytime between 1 and 5 p.m. to make a unique masquerade mask that can double as a Halloween costume!

The Denair Library is located at 4801 Kersey Road in Denair. For more information, please contact the Denair Library at (209) 634-1283.
