### January Events at the Keyes Library

The Keyes Library will offer free programming for all ages throughout the month of January.

Visitors to the Keyes Library can discover new recipes this month as part of the "What's Cooking" recipe exchange. Cooking enthusiasts are invited to stop by the library to pick up the recipes of the month and drop off a recipe for a chance to have it featured in February!

Children ages 4 and up can enjoy a LEGO day at the library on Jan. 8 at 3 p.m. Finished creations will be displayed at the library. LEGO play encourages children to use their imaginations while learning early math and engineering concepts. This LEGO program is sponsored by the Friends of the Keyes Library.

Fans of Disney's *Frozen* are invited to the library on Jan. 14 at 1 p.m. for a *Frozen* themed party. Children can craft their own ice wands, make pictures of Olaf, play a snowball toss game, enjoy tasty snacks, and test their knowledge of *Frozen* with a quiz! Participants are invited to come in costume, though costumes are not required. The Frozen Party is sponsored by the Friends of the Keyes Library.

The Crazy 8's Math Club will meet this month on Jan 20 and 27 at 3 p.m. On Jan. 20 children can enjoy Glow in the Dark Geometry by making geometric shapes out of glow sticks. Kindergartners through fifth graders can "Get Loud" on Jan. 27 by making a pan flute out of milkshake straws, yelling into a decibel meter, and using random objects as instruments. Preschoolers can get loud on Jan. 27 by participating in a relay event for the "Toilet Paper Olympics." The Crazy 8's Math Club helps children build math skills through fun activities.

Children, tweens and teens can get creative with Perler Beads on Jan. 21 at 1 p.m. This craft involves colorful beads that bind together when heated. Participants can use these beads to create unique designs.

The Keyes Library is located at 4420 Maud Ave. in Keyes. For more information, please call (209) 664-8006.
