PRESS RELEASE

April 1, 2015

FOR IMMEDIATE RELEASE:

For more information, contact:

Laura Ferrell, 209-558-7817

Susan Lilly, 209-558-4813 or 209-613-3672

April Events at the Denair Library

The Denair Library will host a number of programs for all ages this April, beginning with the “Love My Library” program April 1 – 15. Teens and adults are encouraged to help create a display for National Library Week by sharing the reasons they love their library. The responses will be used to create a pixilated heart display during National Library Week, April 12 -18. Participants will receive a sweet treat for sharing their love for the library.

The Friends of the Denair Library will hold a used book sale inside the library on April 8 from 12 to 5 p.m. Customers can choose from a selection of books for all ages at bargain prices.

Kindergarten through second grade students can participate in this month’s Crazy 8’s Math Club every Thursday at 4 p.m. Children can participate in a Beach Ball Party on April 2. Children will use the library’s beach ball to play Flying Fives Volleyball, create a giant human math tunnel, and race against the clock to swat the ball onto its targets. On April 9, participants will make real life, supersized and miniature pictures of themselves using wax sticks. The “Jumping Through Hoops” program will take place on April 16. Children will discover their unique traits and diagram the unique combinations. Participants can enjoy the Supercube Shuffle on April 23. Children will use colored cubes to create funky designs and test their memory by copying the patterns of others. “Epic Air Traffic Control” will be held on April 30. Children will use their math skills to build their own airports, complete with finger light airplanes and glow stick runways.

The Denair Library is located at 4801 Kersey Road in Denair. For more information, please contact the Denair Library at (209) 634-1283.
