May Events at the Keyes Library

Visitors to the Keyes Library this May will find free programs for all ages, beginning with the month-long "What's Cooking" Recipe exchange. Customers may visit the library to pick up the recipes of the month and drop off their own recipes for a chance to have them featured at the library in June.

Star Wars fans can celebrate May the Fourth (Be With You) at the library with an assortment of Star Wars activities. Starting at 3 p.m. participants can play a game of hide and seek to receive a Star Wars pin and make Star Wars crafts. Participants are invited to attend the event in costume, however costumes are not required. Star Wars Day is sponsored by the Friends of the Keyes Library.

Children can join the library for a flower themed Mother's Day craft on May 7 at 3 p.m. This flower planting craft can be used as a gift for Mother's Day.

Young crafters can make colorful butterflies on May 13 at 1 p.m. Children will make butterflies out of clothespins, tissue paper and fruit loops.

Children of all ages can build LEGO displays for the library on May 14 at 3 p.m. LEGO play promotes creativity and helps build basic engineering skills. Children under the age of 4 may participate with direct parental supervision.

The library will kick off Summer Reading with "Villains Invade Summer Reading" on May 19 at 3 p.m. Festivities will include posing as several Disney and comic book characters in the library's photo booth area, villain inspired crafts, and an opportunity to sign up for this year's Summer Reading Challenge. Cake and refreshments will be available while supplies last.

All ages can visit the library on May 27 at 1 p.m. to make superhero crafts. Participants can craft unique necklaces, key chains and magnets featuring their favorite superheroes.
