July Events at the Modesto Library

The Modesto Library will offer free informative programs this month, including two “Tech Connect” programs. Tech Connect programs are designed to help customers learn how to use the free eResources available through the library. “Tech Connect: 3M Cloud Library” will take place on July 8 at 6 p.m. Participants will learn how to access the 3M Cloud Library app, a service that offers library customers the ability to access free eBooks. On July 22 at 6 p.m. customers can learn how to digitally access audiobooks, music, movies, TV shows, and graphic novels through Hoopla. Participants must bring their library cards and are encouraged to bring their electronic devices for hands-on learning. Advance registration is required; please contact the Modesto Library Reference Desk at (209) 558-7814 to sign up.

Local scrapbooker Anna Soto will lead a free scrapbooking program on Saturday, July 11 from 12:30 – 4:30 p.m. Participants are encouraged to bring their own photographs and materials in order to better personalize their scrapbooks, though a limited number of materials will be provided at the program.

The library will hold a chocolate tasting program on Saturday, July 18 at 1 p.m. This informative program will teach participants about the quality and attributes of different chocolate samples. Advance registration is required; please contact the library at (209) 558-7814 to reserve a seat.
