2nd Chance Week

Second Chance Week is a national public awareness campaign to promote the use of specific recycled items under the motto "Reuse-Repair-Resale-Donate".

This year Stanislaus County, in collaboration with the City of Modesto will be collecting eyeglasses in all conditions for people in need all over the world. We are partnering with the non-profit organization Lions In Sight who will refurbish the eyeglasses and distribute them to various charities and give the gift of better sight to so many people.

Please take time to gather your eyeglasses and bring to any one of our many collection sites located in Stanislaus County and Modesto. Your contributions can truly make a difference! Look for donation cans at each floor of 1010 10th Street in downtown Modesto, all Stanislaus County Libraries, The State Theatre of Modesto and local supporting businesses.

For more information in Stanislaus County, please contact Environmental Resources at (209) 525-6700 or email Denise London at dlondon@envres.org or Janice McClendon at jmccclendon@envres.org. For more information in the City of Modesto, please contact the Solid Waste Division at (209) 577-5495 or email Vicki Rice at vrice@modestogov.com.
