State of the County Address Postponed

Stanislaus County, CA – Out of respect for the public health crisis facing our community with the spread of COVID-19, the guidance encouraging social distancing and other public health directives, Chairwoman Kristin Olsen has postponed the State of the County Address originally scheduled for Tuesday, March 17, 2020, at 6:30 p.m. at the Board of Supervisors meeting.

“I am grateful for the efforts of our leaders, including our local Public Health Officer and her team, who are working hard to protect the community we serve. I look forward to delivering my State of the County Address in the coming weeks, at a date to be announced later” said Kristin Olsen, Chairwoman of the Stanislaus County Board of Supervisors.

Earlier today, the President of the United States declared a National Emergency, which follows California Governor Newsom’s declaration earlier this week.
