An ethical dilemma can be defined as an undesirable or unpleasant choice relating to a moral principle or practice. A staggering number of us endure these dilemmas on a daily basis at work and at home. Former Supreme Court Justice, Potter Stewart, once said, "Ethics is knowing the difference between what you have a right to do and what is right to do."

This class is designed to help employees navigate the ethical dilemmas that they may face while working at Stanislaus County. This class will cover:
