

**Letter of Agreement  
Between  
Stanislaus County  
And  
Stanislaus County Sheriff Supervisors' Association**

Whereas, Stanislaus County has received funding to establish and implement traffic enforcement utilizing a motorcycle for effectiveness in which a sheriff's supervisor would be assigned to operate in his duties as a traffic enforcement officer,

Now therefore be it resolved, the parties agree to the following provisions for sheriff's supervisors assigned to operate a motorcycle as a traffic enforcement officer:

Supervisors assigned shall receive additional salary of 2.5% as special assignment pay.

All other provisions as described in the current Memorandum of Understanding, Section 7. Compensation , shall apply.

The County shall provide the following safety equipment in new condition:

- Day and night safety eye glasses
- Summer and winter gloves
- Helmet with visor
- Leather jacket
- Riding pants appropriately double layered with tapered legs
- Motorcycle boots with top rim buckle

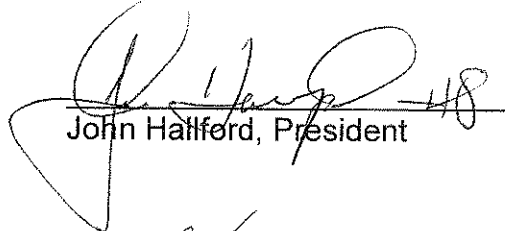

The safety equipment identified above shall remain property of the County. Any replacements must be approved by the Commander.
