This training workshop is

designed to provide participants with the concepts that improve the skills and confidence needed to develop and deliver engaging, effective and dynamic training sessions. The course incorporates Adult Learning Principles and strategies, as well as tips and

techniques for stimulating discussion, generating ideas, and fostering curiosity and excitement within the group. It will also cover how to separate neutrality from passivity, how to produce outcomes, and how to be an active listener to the audience!

Direct benefits from this training include:

- Recognize group dynamics and behavior styles
- Learn to manage participant behavior
- Gain credibility through a manner that commands attention and portrays confidence
- Learn how to ask appropriate probing and thought provoking questions
- Open a workshop with confidence...close it with a wrap-up that guarantees learning!
