Certification of Health Care Provider for
Family Member's Serious Health Condition
(Family and Medical Leave Act)

For Completion by the EMPLOYEE

INSTRUCTIONS to the EMPLOYEE: Please complete Employee Section before giving this form to your family member or his/her medical provider. The FMLA permits an employer to require that you submit a timely, complete, and sufficient medical certification to support a request for FMLA leave to care for a covered family member with a serious health condition. Your response is required to obtain or retain the benefit of FMLA protections. 29 U.S.C. §§ 2613, 2614(c)(3). Failure to provide a complete and sufficient medical certification may result in a denial from your FMLA request. 29 C.F.R. §§ 825.313. If your leave has previously been denied due to inadequate or no medical certification you have 15 calendar days to return this form to your department and to Risk Management. 29 C.F.R. §§ 825.305.

**For Completion by the HEALTH CARE PROVIDER**

**INSTRUCTIONS to the HEALTHCARE PROVIDER:** The employee listed on page 1 has requested leave under the FMLA to care for your patient. Answer, fully and completely, all applicable parts below. Several questions seek a response as to the frequency or duration of the condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the patient needs to leave. Page 4 provides space for additional information, should you need it. Please be sure to sign the form on the last page.
