DISCUSSION:

The Stanislaus County Equal Rights Commission is asking the Board of Supervisors to approve the week of September 25, 2011 through October 1, 2011 as Diversity Awareness Week in Stanislaus County. This is the eighth year Stanislaus County has celebrated diversity in conjunction with other local activities including the International Heritage Festival scheduled for October 1, 2011 at the Gallo Center for the Arts.

Departments throughout the County have organized activities and displays acknowledging, celebrating, and increasing awareness of the various diverse cultures that make our County a wonderful place to live. These Countywide events will also help us to educate both employees and the public.

At 10th Street Place, the City of Modesto and Stanislaus County are once again partnering together to celebrate diversity in a broader sense. This year's representations include the cultures of Polynesia, China and Egypt, as well as a display on aging and on ADA/disability awareness

The Community Services Agency in partnership with the Department of Child Support Services and Alliance Worknet, will focus on family life, dynamics, traditions and social services for the family in various cultures, including Japan, USA, African American, Greece, Portugal, Norway, Israel, Assyria, India, Italy and Mexico. Behavioral Health and Recovery Services and the Health Services Agency will also be partnering to provide Diversity Week activities. Other County departments have connected with local clubs and organizations representing the various cultures of Stanislaus County in developing displays, food sampling, and other diversity activities.

POLICY ISSUE:

Creating public awareness of the diversity of cultures in Stanislaus County addresses the Board's priorities of Effective Partnerships as well as A Strong Agricultural Economy/Heritage.

STAFFING IMPACT:
