V. Community Outreach

We are working on updating our community outreach list and will provide that at our next meeting. This list is used to reach candidates – provide job fliers. We would like each of you to help us build relationships with these organizations. We will be asking each department representative to choose an organization from the list or an organization of your choosing, to contact the organization and discuss the opportunities that are available in the County. The hope is to build a stronger relationship and put a face to our organization. We are hiring more and want the best of the County so need to do more in terms of marketing and outreach

- County EEO Officer – No Comments or Update
 - Nancy apologizes for not being here today. She asked Cari to talk about changes to our EEO-4 Race/Ethnic Identification Categories (see handout). We are changing ours to match EEO-1 and EEO-5 categories. It is optional to make the change for the 2015 report but will be required after 2015. We are hoping to have a solution for self-reporting thru Employee Self Service in PeopleSoft to allow employees to update their personal information. This will not be required but we would like to encourage all of our employees to participate so will need your help in developing a communication plan.
 - Request for feedback on the EEO Plan document that was handed out last meeting
- Departmental EEO Officers – No Comments or Update

VIII. Adjourned at 4:00

IX. Closed Session – Nominations for Dale Butler Equal Rights Award

Respectfully submitted,

Barbara Barker
