OVERSIGHT BOARD TO THE SUCCESSOR AGENCY TO THE
STANISLAUS COUNTY REDEVELOPMENT AGENCY

STAFF REPORT

SUBJECT:
Approval of an Administrative Budget for Fiscal Year 2014-2015

RECOMMENDATION:

2. Direct the Department of Planning and Community Development to forward the approved amended administrative budget to the Stanislaus County Auditor-Controller as the Successor Agency’s official administrative cost estimates for Fiscal Year 2014-2015.

3. Adopt the attached Draft Resolution approving the Administrative Budget for Fiscal Year 2014-2015.

DISCUSSION:
The Redevelopment Agency Dissolution Act (the “Dissolution Act”) (ABx1 26) requires that a successor agency prepare a proposed administrative budget and submit it to the oversight board for its approval. The proposed administrative budget must include all of the following:

1. Estimated amounts for successor agency administrative costs for the upcoming six-month fiscal period.
2. Proposed sources of payment for the costs identified in item one (1) above.
3. Proposals for arrangements for administrative and operations services provided by a city, county, city and county, or other entity.

In addition, the successor agency is required to provide the County Auditor-Controller with administrative cost estimates, from its approved administrative budget that are to be paid from property tax revenues deposited into the Redevelopment Property Tax Trust Fund (RPTTF), for each six-month fiscal period covered by a Recognized Obligation Payment Schedule (ROPS).

The Dissolution Act provides for an administrative cost allowance to provide funds for successor agencies to wind down the affairs and administer the debt repayments of the former redevelopment agency. The Dissolution Act provides the following definition:
"Administrative cost allowance" means an amount that, subject to the approval of the oversight board, is payable from property tax revenues of up to 5 percent of the property tax allocated to the successor agency on the Recognized Obligation Payment Schedule covering the period January 1, 2012, through June 30, 2012, and up to 3 percent of the property tax allocated to the Redevelopment Obligation Retirement Fund money that is allocated to the successor agency for each fiscal year thereafter; provided, however, that the amount shall not be less than two hundred fifty thousand dollars ($250,000), unless the oversight board reduces this amount, for any fiscal year or such lesser amount as agreed to by the successor agency. However, the allowance shall exclude, and shall not apply to, any administrative costs that can be paid from bond proceeds or from sources other than property tax. Administrative cost allowances shall exclude any litigation expenses related to assets or obligations, settlements and judgments, and the costs of maintaining assets prior to disposition. Employee costs associated with work on specific project implementation activities, including, but not limited to, construction inspection, project management, or actual construction, shall be considered project-specific costs and shall not constitute administrative costs."

Based on the Successor Agency’s (SA) enforceable obligations, three percent of the property tax allocated to the SA for 2013-14 would be less than the minimum administrative cost allowance of $250,000.

The following is a description of the costs to be covered by the administrative cost allowance in Fiscal Year 2014-2015:

**Staffing Costs:** These costs reflect staff salaries and benefits for the time spent working on SA. The costs reflected in the budget are estimates based on actual costs and anticipated work tasks that need to be completed.

Staffing costs include staff time from the County’s Department of Planning and Community Development, County Counsel and the Chief Executive Office.

**Operational Costs:** These costs reflect the SA’s costs for services, supplies and the County’s Cost Allocation Plan (CAP) charges. CAP charges include “fair share costs” covering, but not limited to, self-insured general liability, mail room, Auditor’s Department, Purchasing Agents, and fiduciary liability insurance. These costs also include Oversight Board meeting related expenses.

**Legal Service Costs:** These costs reflect actual costs for outside legal services provided to the SA by the Sacramento based Miller & Owen law firm. Miller & Owen has been providing services to the RDA since the late 1980’s when Stanislaus County first started the process for formation of the RDA and has guided the County in its transition from RDA to SA. Services from Miller & Owen are provided on an "as needed" basis.
Proposed Administrative Budget:

The proposed administrative budgets provided below reflect the administrative costs to be listed on the ROPS as an enforceable obligation to be paid for from the administrative cost allowance.

A reconciliation of estimated versus actual costs will be reported on subsequent ROPS. The difference will result in adjustments to the amount of property tax distributed by the County Auditor-Controller to the SA’s Redevelopment Property Tax Trust Fund.

An administrative budget of $250,000 was approved by the OB for Fiscal Year 2013-2014. As of December 31, 2013, the estimated Fiscal Year administrative costs of the SA were approximately $51,500. The SA continues to budget for the full amount of the administrative cost allowance to ensure adequate funding is available to cover all costs.

STAFF REPORT

SUBJECT:
Approval of Recognized Obligation Payment Schedule (ROPS) 14-15A for July 1, 2014 to December 31, 2014

RECOMMENDATION:

1. Approve the Recognized Obligation Payment Schedule (ROPS) 14-15A for July to December 2014.

2. Approve the attached Draft Resolution approving the ROPS 14-15A for July to December 2014.

3. Authorize the Chair of the Oversight Board to sign the ROPS 14-15A for July to December 2014.

4. Direct the Department of Planning and Community Development to take all actions required under law including, but not limited to, forwarding the approved ROPS to the Stanislaus County Auditor-Controller, California Department of Finance, and California State Controller’s Office.

DISCUSSION:
The Redevelopment Agency Dissolution Act (the “Dissolution Act”) (ABx1 26) requires that an oversight board approve the Recognized Obligation Payment Schedule (ROPS) prepared by the successor agency before it can be submitted to the Stanislaus County Auditor-Controller, California Department of Finance (Finance) and the State Controller’s Office. A ROPS lists all of the enforceable obligations of the former Redevelopment Agency and, commencing on May 1, 2012, only those payments listed on the ROPS may be made by the Successor Agency (SA).

After May 1, 2012, the SA only receives a distribution of property tax funding (deposited into a Redevelopment Property Tax Trust Fund (RPTTF)) equal to the amount needed to make the payments listed on the ROPS.

All of the obligations listed on the ROPS 14-15A were listed on previous ROPS approved by the Oversight Board (OB) of the SA of the Stanislaus County Redevelopment Agency (Agency). (See Attachment 1) Despite OB approval, Finance has determined that the following two agreements reflected on the ROPS are not enforceable obligations and, as such, the obligations have been denied:
Oversight Board Meeting  
Item No. VI-B  
February 13, 2014  
Page 2

- Public Works Infrastructure Agreement  
- Housing Set Aside Fund – LMI Housing Fund/1991 CRLA Agreement

The ROPS 14-15A has been prepared using a new on-line template provided by Finance. While the new template does not delete items denied by Finance as enforceable obligations, the ROPS instructions make clear that, in accordance with the Dissolution Act, agencies and the oversight boards are not allowed to restore funding for an obligation that was deleted or reduced by Finance unless it reflects decisions made during the Meet and Confer process or pursuant to a court order.

The SA has been unsuccessful through the Meet and Confer process in getting Finance to reverse their determinations of denial.

The ROPS includes a reconciliation of estimated versus actual payments made by the SA during the ROPS 13-14A period (July to December 2013). As reflected on the “Summary” and “Report of Prior Period Adjustments” sheets, the ROPS 14-15A RPTTF payment will be reduced by $99,255. Based on this reduction, the ROPS 14-15A reflects an adjusted current period RPTTF requested funding in the amount of $1,477,067; however, the “Summary” sheet does not reflect this reduction in the section titled “County Auditor Controller Reported Prior Adjustment to Current Period RPTTF Requested Funding”. Shaded sections of the new template reflect pre-populated fields which cannot be adjusted by the SA. The above reduction that is not reflected on the “Summary” sheet appears to be dependent on information to be completed by the County Auditor Controller (CAC) on the “Report to Prior Period Adjustment” sheet upon submittal of the ROPS 14-15A by the SA to Finance and the CAC.

Upon submittal of the ROPS 14-15A, the Department of Finance will have five (5) days to request a review and forty-five (45) days to review the ROPS. Upon Finance’s determination, the SA has five (5) days to request additional review by Finance and an opportunity to Meet and Confer on disputed items. While the SA does not anticipate there being any disputed items, staff is prepared to request additional review and to Meet and Confer, if necessary.

July 1, 2014 to December 31, 2014

On the motion of , seconded by , and approved by the following vote:

Ayes:

THE FOLLOWING RESOLUTION WAS ADOPTED:

WHEREAS, on February 1, 2012, the Stanislaus County Redevelopment Agency was
dissolved pursuant to the Redevelopment Agency Dissolution Act (ABx1 26), enacted by the
State Legislature, and signed by the Governor, as part of the Fiscal Year 2011-12 State
budget bill, and subsequently modified by the State Supreme Court; and

WHEREAS, pursuant to Section 34173 of ABx1 26, the County of Stanislaus assumed
the role of the Successor Agency to the former Stanislaus County Redevelopment Agency
(“Successor Agency”), and is responsible for winding down the activities of the former
Redevelopment Agency; and

WHEREAS, ABx1 26 requires the Successor Agency to prepare a Recognized Obligation
Payment Schedule (ROPS) for each six month period and submit it to the Oversight Board for
approval; and

WHEREAS, in accordance with the ROPS 14-15A instructions provided by Finance, the
obligation debt information for the 1991 CRLA Agreement and Public Works Infrastructure
Agreement has not been populated; and

WHEREAS, the ROPS 14-15A for the period of July 1, 2014 to December 31, 2014, has
been considered by the Oversight Board at a public meeting.

NOW, THEREFORE, BE IT RESOLVED that this Oversight Board:

2. Hereby finds that, while the obligation debt information has not been populated for the 1991 CRLA Agreement and Public Works Infrastructure Agreements based on the Department of Finance’s determination and instructions for ROPS 14-15A, the Successor Agency and the Oversight Board of the former Stanislaus County Redevelopment Agency continue to disagree with Finance's determination and reserve the right to challenge Finance's determination and reestablish the Agreements as an enforceable obligation.

3. This resolution shall take effect from and after the date of its passage and adoption, February 13, 2014.

BE IT FURTHER RESOLVED that this Oversight Board directs Successor Agency staff to take all actions required by the Redevelopment Agency Dissolution Act (ABx1 26), including but not limited to, forwarding the approved ROPS to the Stanislaus County Auditor-Controller, the California Department of Finance, and the California State Controller’s Office for certification and approval, and requesting the opportunity to meet and confer with the Department of Finance if needed.

ATTEST:                  APPROVED AS TO FORM:

Brenda McCormick      Thomas Boze
Oversight Board Clerk    Deputy County Counsel
DATE: February 13, 2014
TO: Oversight Board of the Former Stanislaus County Redevelopment Agency
FROM: Successor Agency (SA) of the Former Stanislaus County Redevelopment Agency
SUBJECT: PROPOSED REVISIONS TO THE RECOGNIZED OBLIGATION PAYMENT SCHEDULE (ROPS) 14-15A

The SA is proposing the following revisions to the proposed ROPS 14-15A:

Report of Cash Balance

Line 3/Column G: This entry has been updated to reflect that the retention amount includes $4,079 in Successor Housing Agency (SHA) program income deposited in the SA's account during the ROPS 13-14A period. This revision is consistent with the retention amount reported on line 10/Column G for the ROPS 13-14B period.

Line 9/Column G: This entry has been updated to reflect the use of $106,925 determined by the California Department of Finance (DOF) to be available cash balance during the ROPS 13-14B review. The Redevelopment Property Tax Trust Fund (RPTTF) distributed to the SA for the ROPS 13-14B was reduced by $106,925 to reflect the DOF's determination of available cash.

Notes

The Notes/Comments have been updated to reflect the revisions described above.

As reflected in the revised ROPS, the "other" funds available to the SA are not adequate to address the $245,000 reserve needs of the USDA Salida Storm Drain loan. The reserve was not accounted for in past ROPS and, as such, was not factored into the DOF's ROPS 13-14B review of available cash balance. It is not anticipated that the reserve will be needed at any time soon, as the USDA loan repayment obligation is being fully funded and the reestablishment of the reserve can be addressed in a future ROPS cycle. The SA will work with the DOF to determine the best process for restoring the reserve as part of the DOF's ROPS 14-15A review.

The estimated expenditures for the ROPS 13-14B includes the full use of the $125,000 in RPTTF for administrative obligations distributed to the SA, however, it is anticipated that approximately $90,000-100,000 will be unspent. The ROPS 13-14B reduction of $106,925 was taken from the SA as a reduction in the requested administrative obligation.

Collectively, the SA is estimated to end the ROPS 13-14B period with a positive cash balance. The proposed revisions do not alter the original current period requested funding for outstanding debt or obligations reflected on the "summary" page of the proposed 14-15A ROPS.

Attachment 1 – Revised ROPS 14-15A
Recognized Obligation Payment Schedule (ROPS) 14-15A - Report of Cash Balances

(Report Amounts in Whole Dollars)

Pursuant to Health and Safety Code section 34177(l), Redevelopment Property Tax Trust Fund (RPTTF) may be listed as a source of payment on the ROPS, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation.
