HOME OCCUPATION

To obtain and maintain a Stanislaus County Home Occupation Business License, the criteria below must be met. For a complete list of permitted Home Occupation regulations, including permitted and non-permitted uses, see Title 21, Chapter 21.94 of the Stanislaus County Code on our website at www.stancounty.com/planning or contacting Planning Department at (209) 525-6330.

21.94.020 CRITERIA

It is the intent of the following criteria to reduce the impact of the home occupation to the degree that its effects on the neighborhood are undetectable from normal and usual activity.

- A. Only occupants of the dwelling shall be engaged in the home occupation on the subject property. In the event of a partnership or corporation, at least one of the members must be a resident of the subject property.
- B. Off-site employees or partners are permitted so long as they do not work or report for work at subject property.
- C. The use of the dwelling for the home occupation shall be clearly incidental and subordinate to its use for residential purposes. The home occupation may be conducted in the principal dwelling or accessory structures on the subject property provided that the area does not exceed twenty percent of the habitable floor area of the principal dwelling.
- D. There shall be no mechanical equipment or operation used which creates or makes noise, dust, odor, vibration or other effects detectable at the property line. Noise level at the property line shall not exceed sixty-five dBA.
- E. There shall be no display of products produced by the home occupation visible in any manner from the outside of the dwelling unit.
- F. The use shall not generate pedestrian or vehicular traffic beyond that which is normal in a residential district nor in any case require the parking of more than two additional vehicles at any one time.
- G. There shall be no storage of materials or supplies out-of-doors.
- H. There shall be no change in the outside appearance of the building premises, or any visible evidence of the conduct of such home occupation other than one sign not to exceed two square feet. Visible evidence shall include, but not be limited to, any vehicles associated with the home occupation, except as allowed by Section 21.94.020 (J) (2) and (4). (Ord. CS 1117 Sec 2, 2012)
- I. There shall be no advertising, including phone book advertising, newspaper ads, etc., of the home occupation which depicts the address of location. (Ord CS 350 Sec. 4, 1989 (Ord. CS 9 (part), 1983).
- J. The following specific home occupation uses shall be permitted subject to further limitations as follows:
 1. Beauty/barber shops limited to one operator only.
 2. Contractors and subcontractors offices are permitted as home occupations. However, the storage of materials, equipment or more than one vehicle not normally associated with residential uses shall be prohibited.
 3. Furniture repair, restoration and re-upholstery shall be limited to one occupant of the dwelling subject to approval of building inspection and fire marshal as applicable. There shall be no pick up or delivery at this location by the public.
 4. Trucking operations with on-site parking of up to three (3) tractor trailer combinations, as defined in the chapter, provided:
 - a. The home occupation is located within the A-2 (general Agriculture) zoning district, the parcel on which the parking will occur is at least one (1) acre or more in size, the total area of the acres used for the parking operation does not exceed 1.5 acres, and the area to be used for parking shall not exceed fifty percent of the entire parcel.
 - b. All of the tractor-trailer combinations parked on the parcel shall be registered to the occupant of the dwelling located on the parcel. On parcels with more than one trucking operation operating as a home occupation, the total of tractor-trailer combinations parking on-site shall not exceed three (3).
 - c. Any trailers parked on-site shall be operational and accessory to the use of any tractor, truck-trailer, or truck/tanker permitted to be parked on-site.
 - d. On-site maintenance shall be limited to oil and tire changes, light and windshield wiper replacements, and checking fluids.
 - e. No off-loading of any trailer, and no parking of any trailer housing hazardous materials, shall occur on-site. (Ord. CS 1117 Sec 3, 2012)
