

EXAMPLE SITE PLAN

The site plan is to be drawn to scale on minimum 11" x 17" or larger unlined and non-grid paper:

1. Property lines, give dimensions
2. Placement of proposed and existing buildings, including dimensions of the building and how far from the property lines or other buildings
3. Entrance and exit locations and their dimensions where applicable
4. Parking and driveway areas
5. Location of existing and proposed septic tank and leach lines
6. North arrow and scale
7. Source of domestic water (well or public water line)
8. Easements
9. For Commercial or Agricultural projects include access roads, fire hydrants and/or water supplies, existing and/or proposed

Please note: the example plot plan shown below is not drawn to scale.
